REVISED OSWESTRY CHRONIC PAIN DISABILITY QUESTIONNAIRE

Please Read: This questionnaire is designed to enable us to understand how much your pain has affected your ability to manage your everyday activities. Please answer each section by circling the **ONE CHOICE** that most applies to you. We realize that you may feel that more than one statement may relate to you, but **PLEASE, JUST CIRCLE THE ONE CHOICE WHICH MOST CLOSELY DESCRIBES YOUR PROBLEM RIGHT NOW**

SECTION 1 - Pain Intensity

- A The pain comes and goes and is very mild.
- B The pain is mild and does not vary much.
- C The pain comes and goes and is moderate.
- D The pain is moderate and does not vary much.
- E The pain comes and goes and is severe.
- F The pain is severe and does not vary much.

SECTION 2 - Personal Care

- A I do not have to change my way of washing or dressing in order to avoid pain.
- B I do not normally change my way of washing or dressing even though it causes some pain.
- C Washing and dressing increases the pain but I manage not to change my way of doing it.
- D Washing and dressing increases the pain and I find it necessary to change my way of doing it.
- E Because of the pain, I am unable to do some washing and dressing without help.
- F Because of the pain, I am unable to do any washing and dressing without help.

SECTION 3 - Lifting

- A I can lift heavy weights without extra pain.
- B I can lift heavy weights, but it causes extra pain.
- C Pain prevents me from lifting heavy weights off the floor.
- D Pain prevents me from lifting heavy weights off the floor, but I can manage if they are conveniently positioned, e.g., on a table.
- E Pain prevents me from lifting heavy weights, but I can manage light to medium weights if they are conveniently positioned.
- F I can only lift very light weights, at the most.

SECTION 4 - Walking

- A Pain does not prevent me from walking any distance.
- B Pain prevents me from walking more than one mile.
- C Pain prevents me from walking more than 1/2 mile.
- D Pain prevents me from walking more than 1/4 mile.
- E I can only walk while using a cane or on crutches.
- F I am in bed most of the time and have to crawl

SECTION 5 - Sitting

- A I can sit in any chair as long as I like without pain.
- B I can only sit in my favorite chair as long as I like.
- C Pain prevents me from sitting more than one hour.
- D Pain prevents me from sitting more than 1/2 hour.
- E Pain prevents me from sitting more than ten minutes.
- F Pain prevents me from sitting at all.

SECTION 6 - Standing

- A I can stand as long as I want without pain.
- B I have some pain while standing, but it does not increase with time.
- C I cannot stand for longer than one hour without increasing pain.
- D I cannot stand for longer than 1/2 hour without increasing pain.
- E I cannot stand for longer than ten minutes without increasing pain.
- F I avoid standing, because it increases the pain straight away.

SECTION 7 - Sleeping

- A I get no pain in bed.
- B I get pain in bed, but it does not prevent me from sleeping well.
- C Because of pain, my normal night's sleep is reduced by less than one-quarter.
- D Because of pain, my normal night's sleep is reduced by less than one-half.
- E Because of pain, my normal night's sleep is reduced by less than three-quarters.
- F Pain prevents me from sleeping at all.

SECTION 8 - Social Life

- A My social life is normal and gives me no pain.
- B My social life is normal, but increases the degree of my pain.
- C Pain has no significant effect on my social life apart from limiting my more energetic interests, e.g., dancing, etc.
- D Pain has restricted my social life and I do not go out very often.
- E Pain has restricted my social life to my home.
- F I have hardly any social life because of the pain.

SECTION 9 - Travel

- A I get no pain while traveling.
- B I get some pain while traveling, but none of my usual forms of travel make it any worse.
- C I get extra pain while traveling, but it does not compel me to seek alternative forms of travel.
- D I get extra pain while traveling, which compels me to seek alternative forms of travel.
- E Pain restricts all forms of travel.
- F Pain prevents all forms of travel except that done lying down.

SECTION 10 - Changing degree of pain

- A My pain is rapidly getting better.
- B My pain fluctuates but overall is definitely getting better.
- C My pain seems to be getting better but improvement is slow at present.
- D My pain is neither getting better nor worse.
- E My pain is gradually worsening.
- F My pain is rapidly worsening.
